

Visiting the *Imagination Destination* Exhibit

I am going to visit the *Imagination Destination* exhibit at The Strong museum.

Things will be different from my last visit. This is to keep me and my adult healthy. Museum hosts will be wearing blue shirts and masks. The museum may smell different than I remember. I will smell the cleaning supplies that the workers are using to clean the museum. I might see workers cleaning while I am visiting the museum. I can help, too, by cleaning my hands and not touching my face.

I will walk with my adult to *Imagination Destination*. We will walk past other exhibits. There will be other children playing there, too.

I can walk up the ramp and pretend to fly the rescue helicopter. Past the helicopter to the second floor, I can be the captain of a spaceship. There will be blinking lights and sounds. I can slide down the Rescue Slide, too.

Children Build at the Play House

In the Space Climb structure, I can climb all the way up and go down the slide.
I can wave to my adult from the very top.

I can be an actor on the theater stage, and I can change the lights and sounds there.

I will stay inside *Imagination Destination* with my adult until we are ready
to leave together.

I can't wait to use my imagination at the museum!
